

## The Daily Appeal

SATURDAY MORNING, SEPTEMBER 5, 1857.

The officers of the steamer City of Memphis give our thanks for late New Orleans papers.

**Southern Virginia.**—At a recent meeting of the Board, J. ORIAN HOWES, Esq., was elected visitor in place of CAPT. BAXTER, resigned.

**Chancellor Scott,** Mississippi.—We made a visit to this city, the Evening News intimates, with a view to become a resident here.

**We** are indebted to the kindness of our friend THOMAS CRADEN, Architect, for the latest New York and Cincinnati papers. He arrived on the Southern.

**Fire.**—The residence of J. H. Jones, corner of Causey and Faust streets, last evening caught fire from a stove-pipe, but by the timely aid of the neighbors was soon put out.

**MISSES AND TENNESSEE RAILROAD.**—The passenger car on the Mississippi and Tennessee Railroad entered the towns of Paris on Thursday last, and will therefore exert its trips regularly to that point.

**Business.**—The people of Louisville are now applying to the State Legis. for a charter.

Will our friend of the True Delta form us how long we will have to wait for a "host" of those precious birds from his part of the world? How long, oh! Roan?

**LAFAYETTE'S BIRTHDAY.**—GILBERT MOTTEAU DE LAFAYETTE was born on the 6th of September, 1757. The centennial anniversary of his birth, the 6th of this month, will occur to-morrow, (Sunday). It has been suggested that the clergy throughout the country present a service in honor of the great man on that day, and we think the idea a good one.

**Col. JEFFERSON DAVIS** will speak at Hernando to-day, on which occasion a bountiful dinner will be given by the neighbors and town folk. Persons who desire to hear the distinguished gentleman can leave on the cars the morning and return in time for the services of the church.

Following opinion of the U. S. Secretary,

Howell Cobb, is rather a "danger" upon the action of the rebels, at present to the city, we note the familiar faces of half a dozen or more of our Mississippian friends who reside Jackson. We learn that they are on a prospecting tour, and we trust that the impressions made upon them may be such as to induce them to "pitch their tents" here in this thriving city.

**The City Schools commence their session on Monday next, with every prospect of a large attendance of pupils, and to-morrow, we hope, will be the day of the arrival of experienced and educated teachers. Pupils will be admitted upon application at the Superintendent's office, south side of Court Square.**

An impression seems to exist in the minds of some that we were misinformed in regard to our statements with reference to the charge against Dr. Faxon. For the most part, we would prefer that our knowledge of the affairs was derived from the city police, and was the result of their inquiries in the case.

**PANOLA COUNTY COTTON.**—Mr. W. C. BANKS, of Panola County, Mississippi, has sent to this office for inspection, a cotton stalk having one hundred and forty-five bolls, and weighing, loosely packed, 10 lbs. per bushel.

We are inclined to believe that the quality of the stalk was derived from the city police, and was the result of their inquiries in the case.

**Our Agricultural Fair.**—We see by the Nashville Gazette that the ladies of that city have held a meeting to make arrangements for furthering the objects of the approaching exhibition of the Mechanics' Institute. We would be glad to note that our ladies would make a similar move in favor of our Shelby County Agricultural Society, in the near future, in this section. Send me another address, for which I enclose the name of the master, which we think would be great advantage.

**Memphis and Charleston Railroad.**—The election of Directors—the election of Directors of the Memphis and Charleston Railroad Company, to serve for the ensuing year, will be held at their office in this city and at Huntsville, Ala., on Monday next, at which time the election for the ensuing year, and their successors, will be elected.

**NOTICE.**—To stockholders in the

Memphis and Charleston Railroad Company.

The Annual Meeting will be held at the office of the Company at Memphis, Tennessee, on the first Monday (5th) of September, 1857, at 12 M. at which time the election for the ensuing year, and their successors, will be elected.

**REWARD.**—A sum of \$100 Reward is offered for the recovery of a valuable diamond ring, which was lost on the 21st ult.

**Cash for Wheat.**—We are pleased to inform our customers that we will pay for wheat at 10c per bushel.

**Notice to Merchants.**—No. 18 Main Street, New Orleans.

**Produce Merchants;**—No. 18 Main Street, New Orleans.
